Education

Gobi Arts & Science College

Bachelor of Science (B.Sc) in Information Technology

2023 – 2026

CGPA: 8.5 / 10

Technical Skills

Programming Languages: JavaScript, PHP, Python, Java, HTML5, CSS3

Frontend: Tailwind CSS, Bootstrap, React.js

Backend: PHP, Node.js, Express.js

Database: MySQL

Tools: Git, GitHub, Figma

Concepts: REST APIs, JSON, Authentication & Authorization, Responsive Web Design, OOP, DBMS

Projects

Intercollege Meet Management System

GitHub — Live Demo

- Developed a full-stack Inter-College Meet Management platform using PHP, MySQL, JavaScript and Tailwind CSS.
- Implemented QR-code based registration, attendance tracking, result publishing and digital certificate generation.
- Built role-based dashboards for Students, Event Coordinators and Administrators.
- Deployed the application using a serverless architecture on Vercel.

FoodShare (FoodRescueConnect)

GitHub — Live Demo

- Developed a food donation platform connecting donors, charities and administrators.
- Implemented secure role-based authentication and authorization for platform users.
- Built donation management, request handling and charity verification workflows.
- Designed responsive interfaces for seamless usage across devices.

AI Smart Classroom Face Recognition System

GitHub

- Developed an AI-powered attendance management system using ESP32-CAM, TensorFlow and OpenCV.
- Implemented real-time facial recognition with automated attendance logging.
- Designed a teacher dashboard for attendance monitoring and analytics.
- Integrated anti-spoofing mechanisms to improve attendance reliability.

Leadership

Student President, Department of Information Technology

- Elected as Student President and represented students in departmental academic and technical activities.
- Coordinated technical events, student initiatives and departmental programs.

Class Representative

- Served as the primary liaison between faculty members and students.
- Assisted in academic coordination and effective communication within the class.

Achievements & Certifications

- Secured **2nd Prize** in a College-Level Hackathon for developing the AI Smart Classroom Face Recognition System.
- Won prizes in multiple Inter-College and State-Level Debugging Competitions.
- Elected as **Student President** of the Department of Information Technology.
- NPTEL Python Programming Certification – Score: **75%**.
